Tammy Taylor

A Tammy Taylor Nail Treatment for every Natural Nail Type:

- **Nail Hardener - Base Coat & Top Coat for Weak or Thin Natural Fingernails**
- **Milky Base Coat - for Normal to Strong Natural Fingernails**
- **Ridgefiller - Base Coat for Natural Fingernails with Ridges and Toenails**
- **Diamond Finish - Base Coat & Top Coat for Yellow Natural Nails**

**Tammy Taylor Nail Hardener Base Coat & Top Coat
FORMALDEHYDE FREE - TOLUENE FREE - DBP FREE
Tammy Taylor "Nail Hardener" helps those plagued with the nail-biting habit, or those with naturally weak or thin fingernails. Just brush on Nail Hardener every 3 days for longer, thicker, harder & healthy looking natural fingernails.**

- Helps Nail-biters stop biting their nails
- Use as a Base Coat to help polish adhere better, and to strengthen the natural fingernails
- Use as a Top Coat every 3 Days to extend the life of Manicures, and to keep natural fingernails HARD; not weak and flimsy
- Dries Fast

**Tammy Taylor Milky Base Coat
FORMALDEHYDE FREE -TOLUENE FREE - DBP FREE**

Tammy Taylor "Milky Base Coat" strengthens natural fingernails without making nails dry and brittle. The superior adhesion to natural fingernails helps provide longer lasting

manicures. Dries in 30 seconds; a perfect base coat for natural fingernails and artificial nails. Helps polish dry faster from the bottom up.

- Strengthens Natural fingernails without brittleness or dryness
- Creates a better adhesion for a longer lasting manicure
- Formulated for Normal to Strong natural fingernails
- Helps prevent staining from color polish
- Dries Fast

Tammy Taylor Ridgefiller Base Coat

FORMALDEHYDE FREE - TOLUENE FREE - DBP FREE

Tammy Taylor "Ridgefiller" makes your nails smooth as satin. This high tack adhesion Ridgefiller also extends the life of your manicures and keeps acrylic and natural fingernails from staining, due to color polish. Ridgefiller is ideal for use on toenails before polishing, and for polish changes on acrylic nails between fills.

- For Fingernails and Toenails with Ridges or surface unevenness
- Natural opaque Pink color; can be used alone, for a natural smooth look
- Great Base Coat for polish changes on acrylic nails between fills
- Makes your Manicures and Pedicures smooth as Satin
- Helps keep color polish from staining natural nails and acrylic nails
- Dries Fast
- Helps extend the life of your manicure

Tammy Taylor Diamond Finish Base Coat & Top Coat

FORMALDEHYDE FREE - TOLUENE FREE - DBP FREE

Tammy Taylor "Diamond Finish" is a Clear Coat with a blue ultra violet ray inhibitor which makes "Yellow" Natural Nails look Whiter and Brighter.

- Use as a Base Coat for Yellow Natural Nails under a sheer or light color polish, so the yellow natural nail does not show through
- Use as a Top Coat for Light Color Polish and for French Manicures on Natural Nails
- Use all by itself as a Clear Coating to make "Yellow" Natural Nails look whiter and brighter
- Smooth Easy Coverage and glossy finish
- Super Shiny; Hard Finish; Clear Base Coat and Top Coat for Natural Fingernails and Toenails
- Dries Fast
