Squirt a small amount into warm water as a soft foaming soak. Apply directly to skin and rinse as a skin softening cleanse before massage.

AromaSpa Callus-Soft - Softens Dry Rough Skin and Callus With Less Work

Pour a small amount into palm of your hand, apply to any dry rough callused area, massage into this area 2-3 minutes. If the callus is very rough, use the foot file and smooth this area. Rinse off thoroughly.

AromaSpa Intense Massage Oil - A Blend of Natural Aromatherapy Oils

Pour a small amount into the palm of your hand. Rub your hands together to warm oil, continue with massage. In the bath, pour a small amount into warm water as an aromatherapy moisturizing bath. Also, use with AromaSpa **Energizing Crystals** to make an exfoliating scrub.

AromaSpa Energizing Crystals - Use for Soaking and Exfoliating

Pour a small amount into warm water; as the crystals melt, they create a softening, hydrating aroma therapeutic treatment, wonderful in whirlpools. **For Exfoliating:** shake a small amount of AromaSpa **Energizing Crystals** into the palm of your hand, add enough AromaSpa **Intense Massage Oil** to dampen and make a paste. Use this as an invigorating spa scrub **to exfoliate**.
